

All Solis models 20kW and below, except hybrid inverter, are eligible (if production date is in 2021). Please note that all our current stock are eligible for 10 year warranty extension.

Customer now can get to Solis Australia warranty extension page to purchase the extra 5 year warranty for free.

Please see below procedures:

1. Use this link: <https://www.solisinverters.com.au/extend-your-warranty/>
2. Enter the customer details and click 'next';
3. Then you will just select the 'Solis XW - 10' warranty (10 year optimum warranty), and put purchase date and model, SN, the expiry date and price for warranty extension will pop up, then click 'next'; (if you can't see the expiry date and price for warranty extension, please select 'Solis XW - 5 + 5' first, then select back to 'Solis XW - 10')
4. Put the Promo Code: SOL10721, and click 'Check Promo Code', the discount will be applied, the total price will become 0 if it's eligible model. Agree to the T&Cs, then click 'process to checkout';
5. Confirm everything in the page, no need for payment. Once complete, you will receive an email with the certificate.
